

# A Summer Reading Challenge!

Name \_\_\_\_\_

Dear Multi-Agers,

I challenge you to read 15 Just-Right Books this summer. Make sure that the books you record are at your reading level. Most of you are chapter-book readers, so that's what you should write down. Turn in this sheet with 15 good book titles written down, and your parent's signature, and there will be a prize for you next August! Can you meet the 15-book challenge????
